Scene 10. Julie sits with a mic at a radio station. RADIO HOST sits opposite of her, hidden in darkness.

RADIO HOST  Today, we have a very special guest. Julie Kim is a high school junior, but in just a week, she organized an Anti-Asian Hate rally to combat the rise of hate incidents against Asian-Americans that’s been happening both locally and nationally. What’s inspired you to do this, Julie?

JULIE  I wanted to give people a chance to get their voices heard when this sort of thing happens and for people to know that we’re here, and we’re fighting.

RADIO HOST  That sounds awesome, Julie! Any last words for our audience?

JULIE  The rally will be today at 3pm at Roosevelt Park. I hope to see you there!
